1/ The figures in this table are estimates, not actual accounting-based tabulations. For actual fuel tax revenues, see Tables 24A, 24B, 25A, and 25B of The Board of Equalization *Annual Report*.

2/ Revenue data related to the International Fuel Tax Agreement (IFTA) are not available prior to 2007. Diesel price data are not available from the U.S. Energy Information Administration (EIA) prior to 2008 for the currently required diesel fuel formulation. As a result, we cannot calculate sales taxes related to diesel sales prior to 2008.
