Relief for Taxpayers Extended to Mariposa County

Sacramento – Business owners and feepayers impacted by the “Rim Fire” in Mariposa County, as discussed in this [Proclamation of a State of Emergency](#), may request an extension to file their returns, relief of penalties and/or interest from some taxes and fees, or to replace copies of records lost to damage, announced the California State Board of Equalization.

“We want people whose lives and businesses have been adversely impacted by this devastating fire to know we are here to help so they don't have to worry about taxes during this trying time,” said Board of Equalization Member George Runner. "This includes taxpayers who can't pay their fire fee bills because they've had to evacuate from their homes."

Board of Equalization records indicate there about 600 businesses registered in Mariposa County, and 8,160 individuals who will receive Fire Fee bills.

Elected in November 2010, George Runner represents the State Board of Equalization's Second District. He is a leading advocate for California taxpayers. Runner has worked to improve California's tax policies and practices and to create and retain more private sector jobs in our state. Prior to his election to the Board, Runner served twelve years in the State Legislature, authoring the well-known California Amber Alert and California's Blue Alert. As a thoughtful conservative, his legislative priorities included improving the economy, business growth, education excellence, and public safety for all Californians. As a member of the Senate Revenue and Taxation Committee, Runner consistently led the fight against tax increases and supported tax relief for families and businesses.

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$53.7 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
