Underground Storage Tank Maintenance Fee Increase Effective January 1, 2015

The Governor increased the fee by six mil (\$0.006) and extended the sunset date of the Barry Keene Underground Storage Tank Cleanup Trust Fund Act (Act) of 1989 to January 1, 2026, when he signed Senate Bill (SB) 445 (Stats 2014, Ch. 547) on September 25, 2014. Among other things, SB 445 amended sections 25299.43 and 25299.81 of the Health and Safety Code.

The fee for petroleum products placed into underground storage tanks will increase from fourteen mil (\$0.014) to two cents (\$0.02) per gallon, effective January 1, 2015, until January 1, 2026.

If you are the operator of the underground storage tank and not the owner, we ask that you please contact the owner and advise them of the fee increase.

For more information regarding the Underground Storage Tank Maintenance Fee Program, please visit our website at www.boe.ca.gov/pdf/pub88.pdf to view [publication 88](#), *Underground Storage Tank Fee*.

If you have any questions regarding the fee rate increase, please contact our Customer Service Center at 1-800-400-7115 (TTY:711).
