

AUDIT PAYMENT INFORMATION

The figures you have received regarding the audit of your account are the auditor's proposed recommendation for determination and are subject to further review by our staff. After the review process is complete, you will receive a *Notice of Determination* (Notice), which is the official billing notice for audit liabilities. Considering the time necessary for review of the audit and the issuance of the Notice, several weeks may pass before you receive your Notice, during which time additional interest accrues.

You may pay all or part of the proposed audit liability before receiving the Notice. This payment may be made even if you disagree with the audit findings. *The primary advantage to paying your audit liability early is to stop the accrual of additional interest.* Interest continues to accrue on all unpaid tax liabilities until paid. Currently, additional interest accrues on sales and use tax liabilities on the first day of each month. For other tax and fee liabilities, interest accrues at different times depending upon the tax program. Even if you decide not to pay *all* of the proposed liability early, payment of the tax portion will stop the accrual of interest. Interest does not accrue on the interest or penalty portions of your audit liability. Advance payment of a portion of the tax will also reduce the amount of interest that will accrue.

Advance audit payments may be sent to your local Board of Equalization (BOE) district office, or to the BOE's Headquarters office at:

Board of Equalization
Cashier Unit MIC:13
PO Box 942879
Sacramento, CA 94279-0013

To make an advance payment of the proposed audit liability, please include the following information with your remittance:

- Your BOE permit number
- Your name as it appears on your permit
- The statement "Payment on audit not yet billed"
- The period examined in the audit report: (Example: "from 01-01-2006 to 12-31-2008")

Payments for sales and use tax liabilities must be postmarked no later than the last day of the month to prevent additional interest from accruing. To prevent the accrual of additional interest for other tax and fee programs, payments for audit liabilities must be postmarked no later than the day of the month the return is due (for example, if a return is due on April 30th, the payment must be postmarked by the 30th of the month it is mailed). *If you wish to make an advance payment towards a proposed audit liability, please do not combine such payment with your regular tax return or payment.*

For your convenience, you may complete the information below and return this form with your payment. Advance audit payments may be for any amount including the entire liability, only the tax portion, or only the amount with which you agree. Please also note that paying your audit liability will not affect your right to protest portions of the audit with which you do not agree or your right to receive a refund resulting from a reduction in your audit liability.
