(Please refer to publication 110, California Use Tax Basics, for additional information about reporting the use tax.)

You can file your return online by going to www.boe.ca.gov and selecting the "File a Return" tab. When you file online you can pay by credit card, paper check, or electronic check (ACH Debit).

Credit Card Payments. You can use a Discover/Novus, MasterCard, VISA, or American Express credit card to pay your taxes. Other credit cards cannot be accepted. EFT accounts are not eligible for credit card payments. Credit card payments can be made by calling 1-855-292-8931 or through our website at www.boe.ca.gov. **Be sure to sign and mail your return.**

This return should be filed by persons who are not required to hold a seller's permit but who are liable for state, local, and district use tax payable directly to the State. Holders of seller's permits should file a BOE-401-A2 "State, Local, and District Sales and Use Tax Return," which may be obtained on our website at www.boe.ca.gov, or from your nearest California State Board of Equalization (BOE) office, or by writing to the Board of Equalization, P.O. Box 942879, Sacramento, California 94279-0001. If you use property in two or more counties, you must attach a schedule showing the purchase price of the property and where it was used. You can use your own schedule or you can call our Customer Service Center for our BOE-531-X, *Schedule X - Detailed Allocation by County of Sales Exempt From Local Tax*.

You owe use tax when you purchase or lease an item from a retailer who is not engaged in business in California and who is not registered to collect the California Use Tax. You do not owe use tax if you have a receipt showing the tax was paid to a retailer authorized by the BOE to collect the use tax. Use tax is due on items rented or leased, and on items stored, used, or consumed in California.

You do not owe use tax if:

- a California sales tax was paid at the time an item was purchased, or
- b you pay rent on an item for which sales or use tax has been paid by the lessor on their purchase price. This applies as long as the item has not been substantially modified, or
- c the item is specifically exempt from tax, such as food products for human consumption. For additional information on exemptions, see Parts 1, 1.5, and 1.6 of Division 2 of the Revenue and Taxation Code.

BOE-531-D, SCHEDULE D

This schedule must be completed if all of the following conditions are met:

- You purchased property from out-of-state,
- You did not pay California State Use Tax on the purchase,
- You used the property at locations different than the address on your permit, and
- The one percent combined state and local tax on the purchases exceeds \$600 a year.

Itemize all purchases from out of state reported on line 1 of the return. List the name and address of each seller you purchased from. Give a general description of the property purchased. Show the date received in California and the purchase price. Additional schedule pages may be attached if needed.

BOE-531-E, SCHEDULE E

If your business activities were conducted in such a manner that part or all of your one percent local use tax should be allocated to a county or counties other than the county in which you maintain your address of record, you should complete Schedule E - *Detailed Allocation by county of One Percent Local Use Tax*. Examples of persons who are required to complete this schedule are:

CONSTRUCTION CONTRACTORS ([Regulation 1806](#)). A contractor must report the one percent local use tax with respect to materials involved in construction contracts according to the county location of the jobsite. Enter this tax in column C opposite the appropriate county.

PURCHASES FROM OUT-OF-STATE SELLERS WHO HAVE NO REGULAR PLACE OF BUSINESS IN CALIFORNIA ([Regulation 1803](#)). If the seller does not have a stock of goods located in California and delivery is made from an out-of-state point, enter in column C the amount of one percent local use tax opposite the county in which the property is first functionally used.*

PERSONS MAKING EX-TAX PURCHASES FOR USE AT LOCATIONS WHERE A SELLER'S PERMIT IS NOT REQUIRED ([Regulation 1803](#)). A person who purchases tangible personal property without payment of the uniform local use tax is liable for the local use tax on such purchases. If the property is used at a location for which a seller's permit is not required, enter in column C, the amount of one percent local use tax for the county in which such tangible personal property is first functionally used.

LINE E2. LOCAL USE TAX AT PERMANENT PLACE OF BUSINESS. Enter here the amount of one percent state and local use tax on merchandise first functionally used at your permanent place of business in California. Do not include any one percent local use tax reported by counties in column C.

PERSONS MAKING EX-TAX PURCHASES OF \$500,000 OR MORE. A person who purchases tangible personal property without payment of the one percent local use tax is liable for the one percent local use tax on such purchases. If the purchase price is \$500,000 or more, and the property is first functionally used at a location for which a seller's permit is not required, the one percent local use tax should be reported on the BOE-531-F, Schedule F, *Detailed Allocation by City of One Percent Local Sales and Use Tax*.

You can obtain a Schedule F and the documents mentioned above by visiting the BOE website at www.boe.ca.gov, or by calling the Customer Service Center at 1-800-400-7115 (TTY:711). Customer service representatives are available weekdays from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays.

*For sales and use tax purposes, the term *functional use* means use for the purpose for which the property was designed. For additional information, please refer to [Regulation 1620\(b\)\(3\)](#).
