Under a twice-monthly payment plan, the first payment is due by the 5th of the following month in the amount of either one-half of the total prior month's purchase, or the total amount of the prior month's purchases made between the 1st and 15th of the prior month, whichever is greater. The second monthly payment (any balance remaining after first payment) is due by the 25th of the following month. Under a monthly payment plan, payment is due by the 25th of the following month.
