2015 ELECTRICAL ENERGY SURCHARGE RATE

The electrical energy surcharge rate for the 2015 calendar year will remain at twenty-nine hundredths mill ($0.00029) per kilowatt-hour, according to the California Energy Commission.

Authorized by Revenue and Taxation Code section 40016, the California Energy Commission determines the electrical energy surcharge rate each November for the following calendar year. The surcharge is imposed upon the consumption in California of electrical energy purchased from an electrical utility.
