

**BOARD OF EQUALIZATION - COUNTY-ASSESSED PROPERTIES DIVISION
FREQUENTLY ASKED QUESTIONS
PEOPLE SEEKING ELECTION AS A COUNTY ASSESSOR**

Are there any requirements for someone seeking office of Assessor?

Article 11 of the California Constitution section 1 requires that each county have an elected assessor. Any requirements to run for office would be addressed by the county jurisdiction in which a person is running, specifically the county office that handles elections.

Is a candidate running for election of assessor (or person considering running for assessor) required to have a valid appraiser's certificate issued by the Board of Equalization?

No, a candidate is not required to hold an appraiser's certificate. However if elected, within 30 days of taking office he/she must apply for a temporary appraiser's certificate with the Board of Equalization.

Section 24002.5 of the Government Code specifies that a person may not exercise the powers and duties of the office of the assessor unless he or she holds a valid appraiser's certificate issued by the State Board of Equalization. Section 24002.5, subdivision (b) further requires that a temporary appraiser's certificate be obtained within 30 days of receiving office. Revenue and Taxation Code section 670(a) and Property Tax Rule 282 clarify this requirement.

The Board of Equalization issues a permanent appraiser's certificate when a temporarily certified appraiser attains a passing score on the Board-prepared certification examination. Once a temporary certificate has been issued, a person has one year to pass the certification examination.

The statutory and regulatory provisions pertaining to appraiser certification are available on the Board of Equalization's website at: <http://www.boe.ca.gov/proptaxes/castraining.htm> under the "Reference Material" category.
