Dear Interested Party:

The Compliance Policy and Procedures Manual (CPPM) is a guide for the Board of Equalization (BOE) staff in administering tax and fee programs. It is available to the public and can be accessed from the BOE web page at http://www.boe.ca.gov/sutax/staxmanuals.htm.

The Sales and Use Tax Department (SUTD) is proposing to revise CPPM section 645.050 to increase the threshold amount for initiating a waiver of liability. The revision material is provided on the following pages for the convenience of interested parties who may wish to submit comments or suggestions. Please feel free to publish this information on your website or otherwise distribute it to your association/members.

If you have any comments or suggestions related to the proposed CPPM revision, you may contact the BOE at CPPM.RevisionSuggestions@boe.ca.gov. Your comments or suggestions must be received by BOE no later than February 22, 2015, in order to be considered by staff. Thank you for your consideration.

Sincerely,

Susanne Buehler, Chief
Tax Policy Division
Sales and Use Tax Department
Generally, part time itinerant, or temporary accounts fall into this category. Frequently, excessive amounts of time and effort are necessary to clear delinquencies even though a small liability is involved.

The Waiver of Liability process in IRIS may be used to reduce costs when closing out a small account. Where delinquencies exist, security is not available, there is no successor, the taxpayer cannot be located, and the potential tax liability is less than $100,500, initiate a Waiver of Liability.
