Pursuant to Section 155 of the Revenue and Taxation Code, we are hereby requesting a 30-day extension of time for the delivery of the 2014 roll.

Our Mineral Consultant delivers his work late in June. The Coso Geothermal project is one of his accounts. Since this is one of our largest assessments, we want to be able to wait and include it as a part of the roll as opposed to adding it as an escape assessment.

Dear Ms. Bridges:

Per Section 155 of the Revenue and Taxation Code, I hereby request a thirty (30) day extension of time to complete the local assessment roll for Monterey County.

Due to the reduction in staff levels and due to implementation of a new Prop 8 Decline-In-Value software system, a possibility exists that Monterey County may not be able to complete our local assessment roll by July 1, 2014.

Yours very truly,

Subject: Request for Extension of 2014/15 Assessment Roll

Dear Director Bridges:

Due to a recent unanticipated reduction in appraisal staffing resources within my office and a programming challenge with Nevada County's property tax system in completing timely a critical assessment function for this year's roll closure , I am respectfully requesting a thirty day (30) extension to close Nevada County's 2014/15 assessment roll pursuant to Revenue and Taxation Code 155.

I am hopeful that my office will not need to utilize the full thirty day extension, if granted.

If you have any questions, please feel free to contact me. My direct office line is 530-265-1269 or by email at sue.horne@co.nevada.ca.us .

I appreciate your thoughtful consideration of my request.

Dear Ms. Bridges:

Pursuant to Calif. Revenue and Taxation Code Section 155, request is hereby made for a 30 day extension to complete our 2014-15 secured and unsecured assessment rolls.

We have experienced a one-third reduction in staff due to budget cuts and have been unable to complete this year's backlog of work. Additional staff time is being spent to determine those properties that are eligible for Proposition 8 revaluations. This will cause us to not complete our rolls and deliver them to the County Auditor by July 1, 2014.

Your consideration would be very much appreciated.

Sincerely,

Honorable Board

San Joaquin County continues to re-engineer our computer system to an upgraded version as well as upgrading our servers. Meanwhile property values have rebound and all properties that had been suffering losses in value over the past few years now must be reviewed for increases. The resulting hardships and risks in upgrading our system as well as the workload have jeopardized the ability of my office to complete the 2014-2015 assessment roll on time.

Therefore, I respectfully request a thirty day extension on the roll delivery date.

Respectively Yours

Re: Request for Extension, Local Assessment Roll

Dear Ms. Cazadd:

Please accept this letter as my request for an extension to July 31, 2014 to deliver the Santa Cruz County Assessment Roll pursuant to Section 155 of the Revenue and Taxation Code.

With vacancies that I cannot fill due to budget cuts, and a large volume of assessment reviews to complete, it will not be possible to deliver the Assessment Roll by July 1st necessitating the request for an extension to July 31, 2014.

I appreciate your consideration in this matter. If you have any questions, please give me a call.

Dear Ms. Bridges:

Pursuant to Section 155 of the Revenue and Taxation Code, I respectfully request a 30-day extension of time beyond July 1, 2014, to prepare and deliver the 2014-2015 Sonoma County Secured and Unsecured Assessment Rolls to the Auditor-Controller.

The work in the Sonoma County Assessor's Office continues to be at record levels due to the number of assessment reviews that are required as the residential real estate market continues to improve. In addition, the office staffing levels have not improved since prior to the economic downturn. The 30-day extension will allow our office to:

- Partially complete the backlog of new construction
- Complete the outstanding change in ownership events
- Timely process the annual business property statements
- Complete more mandatory business property audits
- Enroll the 2014 Section 51 Value Reviews
- Process more roll corrections on assessment appeals

The additional time allowed will undoubtedly give us the opportunity for a more complete and accurate assessment roll and potentially avoid costly roll corrections.

If you have any questions or require additional information, please do not hesitate to contact me. Thank you for your consideration.

Sincerely,
