Agenda Item(s):

M1a. Working Group Report - 1: 571 Property Statement May 7 Filing Deadline Relief

Comment:

Please read into the record, as I am at work. I have just learned that the board is considering using public funds to provide additional tax relief for commercial property owners. The CARES Act already did this. We are in the midst of a multi-layered national crisis at the moment. It is unconscionable to use public funds at this time to benefit commercial property owners. Our public schools have been a lifeline for our communities throughout Covid-19. There have been worldwide uprisings over racial inequity. It has never been more clear that our communities and schools deserve our full support.
