G1. Proposed Amendments to Property Tax Rule 202

3. Discussion with Proponents and Opponents

Comment:

G-1 This is an untimely effort to raise taxes on the hardworking small business owners who have been walloped by the Corona virus. Prop 15 Most hardest hit by this tax increase will be older properties where minority businesses can now afford to operate. This is a bad idea and it will put the last nail in the coffin for minority owned small business.
