7. Public Comment

Comment:

Tax changes years ago (Prop 13) have had devastating effects in California. It's just awful the damage that has been done. Prop 15 would start to repair that wound. Tax Benefits that currently accrue to investors out of state (and abroad) would be stabilized and returned to our California polity. We need the BoE to be allied with California families in support of Prop 15. We need your expertise and dedication to our public interest. Thank you.
