2. Overview of Proposition 15

Comment:

My name is Sue Goldberg. I am a retired county social worker for Contra Costa Co. I support Prop. 15 because it will provide funding for the Employment Human Services Dept. of Contra Costa Co. This is important to me because the In Home Supportive Services program that I worked in is in dire need of funds. This program provides much needed care for seniors & disabled people. Care that is especially vital during this pandemic, but always so essential. Prop. 15 revenue would reclaim \$12 billion every year for schools & Local services, while protecting homeowners, renters, small businesses & agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, & that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15-a fair and balanced reform to put our Schools & Communities First. Sincerely, Sue Goldberg, now in Oakland, Ca.
