Comment:

Property taxes are the most expensive taxes hard working people have to pay. Often the taxes are so high people fall behind due to the constant rise. Property tax along with income taxes wipes out families ability to stay afloat in these unprecedented times. Somethings got to give or everything will most assuredly fall apart. The last thing anyone needs in a time with the highest unemployment in history, is any taxes being raised. Prop 15 is a disgraceful and absolute greed. If anything, Prop 13 should be made available to all homeowners across the board. I oppose Prop 15 vehemently and pray that this and any other proposition, amendment or changes in laws concerning the rise of taxes on the peoples already suffering enough, be defeated.
