My name is Nina Rea, I am a parent of two public school high school youth and a health care professional in Oakland. I support Proposition 15 because now more than ever we must rally to meet the needs of the children and underserved in our community. The inequities in our current system are shameful. Proposition 15 would reclaim \$12 billion every year for our SCHOOLS, and local services by closing corporate property tax loopholes -- all while protecting homeowners and renters, small businesses, and agriculture. The Board of Equalization has an important role to play in ensuring that Prop 15 is implemented effectively, and that it is fully enforced. We call on the Board of Equalization to rise to the occasion of implementing a change that Californians like me have needed for a very long time. I am asking you to support Prop. 15 — a fair and balanced reform to put our Schools & Communities First. Sincerely, Nina Rea, Occupational Therapist, Oakland,CA
