L3a. Property Tax Abatement - Work Report out on the Property Tax Abatement Work Group

Comment:

I have been listening to your meetings over the last few months regarding tax abatements for affordable housing. I understand that the Board of Equalization can sometimes request the Tax Collector to abate penalties. What role would the Board of Equalization play in abatement of tax bills? It seems those duties would fall on the Tax Collector. Does the Board of Equalization have any authority to abate tax bills? Maybe your legal advisor can provide an answer.
