RE: SCA-4 We ask that you please SUPPORT SCA-4. This is very important to our family. We have an only child with disabilities that prevent him from being a high wage earner. Upon our death, SCA-4 will allow us to pass our property to our son, who is the 4th generation to live on our land, without an increased tax assessment that will definitely be unaffordable to him. We thank you for your consideration of this request.
