Please support SCA-4 So many families are getting forced out of their homes And out of the area. As a realtor the majority of homes lately have been due to trust sales. Many of the buyers are purchasing homes as investments, not as a primary home, many times leaving them vacant as second homes. Are we becoming a state only for the wealthy? Prop 19 restrictions and reassessment rate of base tax plus \$1M doesn't even come close to the value of Bay Area homes. This is especially true In Silicon Valley area between San Francisco and San Jose. It's ashame to see many families having to move out of the area and apart from family. Please repeal the death tax!!
