### MEMORANDUM

**Date:** May 10, 2023

**To:** Sally Lieber, Vice Chair  
Ted Gaines, Board Member, First District  
Mike Schaefer, Board Member, Fourth District  
Malia M. Cohen, State Controller

**From:** Antonio Vazquez, Chairman

**Re:** **May 23, 2023, Board Meeting Agenda Item 10. Presentation, overview, discussion, possible action on 2023 Property Tax & Related Affordable Housing Legislation.**

The purpose of this item is to provide the Board with an opportunity to hear from, and discuss with authors, supporters, stakeholders and County Assessors regarding various Senate and Assembly bills related to a variety of critical property tax assessment, change in ownership, and exemption matters. The Board may choose to vote to support, oppose, or remain neutral on the language in any bill or to request further information from any speakers or the Executive Director and managers as appropriate.

#### **Background.**

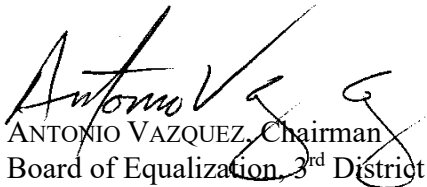

The Board Members have committed themselves to be appropriately open in the way they acquire information relevant to the Board's duties and the manner in which decisions are publicly made. We are accountable to the Legislature and taxpayers for assessing and collecting the proper amount of taxes due, which includes exploring, evaluating, and discussing legislative measures that may impact or affect such taxes, including assessment matters, change in ownership exclusions, tax exemptions and programs related to affordable housing. This is consistent with the underlying principle in California Constitution, article I, section 3, that the people have the right to instruct their representatives, petition government for redress of grievances, and assemble freely to consult for the common good, which includes engaging with the Board to hear and discuss measures that may affect them.

#### **Goal.**

In the interest of accurately understanding significant legislative measures currently intended to modify property tax law, change in ownership exclusions, exemptions, or to assist in the production of affordable housing, the following Senate and Assembly bills will be addressed by the authors, sponsors, County Assessors, stakeholders and/or other interested parties. Board Member questions and comments are encouraged regarding the language in any bill.
