Description of Issues:

I believe only property owners who pay property taxes should vote on legislation impacting their tax rates. It's very easy to vote to assess property owners more and more when you are not paying the bill. Property owners in Nevada County are being devastated by ever increasing fire insurance rates. I think there should be a moratorium on property tax increases for anyone on the CA un-FAIR Plan. Frankly, property tax rates should be lowered as fire and homeowners rates increase. Living in CA becomes more burdensome by the minute. It's not sustainable.
