Newly Appointed BOE Executive Director

Sacramento – We are pleased to announce the appointment of **Ms. Brenda Fleming** to Executive Director of the California State Board of Equalization.

Ms. Fleming has over thirty years of experience working in state government. Ms. Fleming started her state career working for the California State Legislature. She joined the Office of Legislative Counsel's Legislative Data Center in January 1993 where she served in management roles, until her appointment to the Deputy Director position in 1999. Ms. Fleming has served as the CIO for the State Board of Equalization (BOE) from 2011 to 2017, with an interim appointment as BOE's acting Chief Deputy Director from October 2016 through June 2017, then appointed to Chief Deputy Director October 2017 through December 2018. Ms. Fleming then was appointed to Acting Executive Director December 28, 2018 through January 29, 2019.
