

IFTA is going paperless!

Beginning with the Second Quarter 2013 reporting period, you will be required to electronically file and pay your International Fuel Tax Agreement (IFTA) returns.

This is the last paper IFTA return that the BOE will mail to you.

To get started with IFTA eFile: Go to www.boe.ca.gov and select the eServices tab. Register as an eClient or use your express login code (found on your IFTA Renewal Application or decal cover letter). If your return results in a balance due, you have the choice to pay by credit card or make an electronic payment (ACH Debit).

Send us your email address: If you wish to receive email reminders prior to the due date of your return, simply send us an email to MCO.email.updates@boe.ca.gov. Include your account number (0590*****) in the subject line.
