Subject: Assessment Appeals Process/ LTA 2019/037

Dear Mr. Yeung,

On behalf of the California Assessor's Association Assessment Appeals Ad-Hoc Committee, I wish to thank you and your staff for your outstanding leadership during the Assessment Appeals Interested Parties Meetings.

On November 19, 2019 BOE Staff circulated Letter to Assessors' 2019/037 to the Assessors' of California. On December 2, 2019, I resent the LTA to assessors' and solicited input from the assessment community.

The CAA Assessment Appeals Ad-Hoc Committee is pleased to report that we are in agreement with the materials displayed in LTA 2019/037, believing that the agreements made during the September 26, 2019 Interested Parties Meeting have been correctly incorporated in the Form and Handbook language.

I would particularly like to acknowledge Angie Barry for her great job of keeping notes during a fairly dynamic and fast spaced meeting on September 26, 2019, and her subsequent work in capturing those agreements into the respective documents.

Please feel free to contact me in the event you have any questions.

Happy Holidays,

A handwritten signature in blue ink, appearing to read "Charles W. Leonhardt".

Charles W. Leonhardt, Plumas County Assessor

Chairman, CAA Assessment Appeals Ad-Hoc Committee
