Subject: Interested Parties Process/Placer Response

Dear Ms. Schultz:

This is to provide input on behalf of Placer County in response to LTA 2018/023. We appreciate BOE's Legal Department addressing the rescission issue. We do have one question that we hope can be addressed in the final version of the LTA.

1. How would the step transaction doctrine work with the rescission doctrine?
Examples would be appreciated.

Sincerely,

Michelle Sierra-Sammons
