No. 2026/044

To County Assessors:

New Chief Deputy Director of the State Board of Equalization

The California State Board of Equalization (BOE) would like to announce the appointment of Mr. David Yeung as Chief Deputy Director of the BOE commencing November 5, 2026.

Mr. Yeung brings more than 28 years of experience in property tax administration at both the state and local levels, including 18 years in leadership and management roles. His extensive experience, institutional knowledge and demonstrated leadership will be valuable assets as he assumes this important position.

Mr. Yeung began his career in property tax administration as a Real Property Appraiser with a County Assessor's office. Since joining the BOE, he has advanced through several key positions, including Principal Property Appraiser in the State Assessed Property Division, Chief of the County Assessed Property Division, and Deputy Director of the Property Tax Department.

Mr. Yeung earned a bachelor's degree in economics from the University of California, Davis, and holds a BOE Advanced Appraiser Certificate.

I am confident that Mr. Yeung's experience and leadership will serve the BOE well as we continue to fulfill our responsibilities and advance the Agency's priorities.

Please join me in congratulating Mr. Yeung on his appointment and wishing him continued success in his new role.

Sincerely,

/s/ Yvette M. Stowers
