Certificated Aircraft Representative Period  
450 N Street, Room 122, Sacramento  
November 7, 2018 9:30 a.m. – 11:30 a.m.  
NOTICE AND AGENDA**

**Wednesday, November 7, 2018**

Staff of the State Board of Equalization (BOE) will hold an interested parties meeting to discuss a possible change to the representative period for certificated air carriers and scheduled air taxi operators for the 2019 tax year. The objective of this meeting is to continue discussions regarding a possible transition to a 365-day representative period based on data derived from each carrier's activity in the prior year.

***Background***

The Board is required by law, after consulting with county assessors, to designate annually the representative period to be used by all assessors in assessing the aircraft of each carrier for the forthcoming tax year.<sup>1</sup> The purpose of a representative period is to obtain air carrier operational data that can reasonably be expected to reflect the average activity of the carrier for the ensuing tax year. For the 2019 tax year, the Board requested that staff conduct the interested parties process to analyze issues related to a possible change to a 365-day representative period and report back to the Board with that analysis.
